

The chart below identifies the availability of our various acoustic door constructions (Sound Groups) based on the positive pressure category. Sound Group 1 is not included in this list because it is composed of standard core constructions, and generally available as either Category A or B.

The general rule is door constructions that include multi-laminate faces containing vinyl or lead are not available as Category A assemblies.

Sound Group Construction	Available as Category A	Available as Category B
2	No	Yes
3	Yes	Yes
4	No	Yes
5	No	Yes
6	No	Yes
7	No	Yes
8	No	Yes
9	Yes	No

Note: Our 45- and 60-minute lead doors utilize the same face construction as the Sound Group 8 acoustic doors. For this reason they also are not available as Category A assemblies.
