

# HOW TO ENTER FINISH APPROVAL NUMBERS

## 1 | Eggers' Standard Finish Color - Enter the Entire Standard Finish Sample Number

These finish sample approval numbers are allowed for any of our (8) Standard Veneers - **Red and White Oak, White and Natural Birch, White Maple, Walnut, Mahogany and Cherry**. Other veneers will require a standard finish sample set to be ordered and approved prior to order submittal.

**The entire finish sample number is required:**

- **(SG)** tells us this is a standard finish color
- **091015** tells us when the batch was manufactured. Standard finish samples are valid for (3) years.
- **N01-05** tells us what color you are looking to use on your order
